

Lares Corporation Limited Lifetime Warranty

Lares Corporation warrants all new or remanufactured parts against defects in material or workmanship for as long as you own your vehicle (commercial vehicles for one year). We agree to repair or replace any new or remanufactured part found to be defective due to failure of material or workmanship. This warranty will not apply to any new or remanufactured part which fails as a result of operator negligence, or which has been subjected to misuse, neglect, accidents, improper installation, changes in adjustments or disassembly.

We will not recognize claims for labor charges, freight or any consequential damages under any circumstances. Our liability is limited strictly to the replacement of any new or remanufactured component that has proven defective according to our judgment.
